Automatic service charge of 20% is applied, 22% to parties of 6 or more. Chef of the Kitchen: Josh Gripper

There is a risk associated with consuming raw oysters, meats, poultry, fish, seafood and eggs. If you have chronic illness of the liver, stomach or blood, or have immune disorders, you are at greater risk of serious illness from raw oysters and under cooked foods, and should eat foods fully cooked. If unsure of your risk, consult a physician.
